I have a little problem with blueprint

Послан joaopaulo - 15.10.2011 22:52

_____

I downloaded the tutorial, but I don't know why it isn't have sound.
I'm doing the video capture-1, but when I Open Bitmap, I don't see the picture, for example I select the image in Open Bitmap, I scale the image but after I don't see the image, I see a retangular form, but without to see the car image. Can you help me?

Sorry for my English,
Thank you.

_____

update rhino to latest version, sr9.
